4. Special Items (none at this time)

Mayor Angle regrettably shared with the public that Council Member Bobby M. Cundiff had resigned his seat with the Rocky Mount Town Council effective this date of February 8, 2021. Mayor Angle further shared that the members of Council and the Town would certainly miss Mr. Cundiff's counsel and dedication to the Town and the Town's citizens. Mayor Angle wished Mr. Cundiff well going forward and thanked Mr. Cundiff for the service Mr. Cundiff gave to the Town of Rocky Mount.

5. Public Hearing

Mayor Angle recesses to begin the Public Hearing.

- 5.1 Disposal of Town Property Behind 325 Franklin Street Formerly Known as Angle Street

The owner of 325FranklinSt LLC, Mr. Phillip Bane, had previously asked Town Council for the right-of-way to the portion of Angle Street that was left after the Town of Rocky Mount closed the intersection of Angle Street and Claiborne Avenue in conjunction with the Franklin County Library project. The portion of Angle Street described was suitable for abandonment. Town Council had at that time indicated that the Town would deed the prior right-of-way to the developer in conjunction with a redevelopment proposal and a set of plans submitted which Mr. Bane did submit. Mr. Bane was seeking a Zoning Permit and the proposed development that Mr. Bane has continued to work on for some time now, could not go forward until a Zoning Permit could be issued so that a Building Permit could be obtained because a portion of the right-a-way referenced here was being used by the renovated building therefore, the Zoning Permit nor the Building Permit could be issued until the developer was given access to that right-of-way. The meeting was closed to the public so comments from the public were still being received from email by Town Clerk Dillon though no comments were received regarding this public hearing. State Code Section 15.2-1800 requires that localities hold a public hearing prior to disposing of real property. The public hearing was duly advertised. An aerial view of the portion of Angle Street discussed, was in Council's packet for review prior to the meeting.

Staff shared that Town Council had in the past had the view of the right-of-way being available perhaps as part of a redevelopment effort and so staff recommended that the right-of-way be deeded to the owner of 325Franklin St LLC, Mr. Bane, to use in conjunction with the development plans that had been submitted to the Town. Staff recommended a "call back clause" for 1 year and lease the parcel to the developer which would have an optional renewal at Council's discretion. When the developer can obtain a certificate of occupancy, the property would be permanently transferred to the developer.

Town Attorney Boitnott referred to the agreement between the Town and the developer as a performance agreement that would require the developer to perform certain things in the future and upon completion of which, the title would be transferred without any other action required by Council. If the things required to be completed within the 1 year time period are not completed, then the title would not be transferred to the developer and Council would have the option to extend the performance agreement for another period of time or Council might not extend the agreement. If at the end of the 1-year period, the things required were completed and the portion of Angle Street was abandoned right-of-way to the developer, that portion of real property would be permanently joined to the property at 325Franklin St LLC.

Motion: To move forward with the performance agreement for a 1-year period of time

Motion By: Council Member Stockton

Seconded: Vice Mayor Snead

Motion Discussion: None

Approved by unanimous vote

5.2 Special Use Permit for Chasity S. Wade Regarding a Manufactured Home on Byrd Lane

Ms. Chasity Wade applied for a special use permit in order to place a manufactured home of 1,791 square feet on a 1.14-acre lot located on Byrd Lane that was zoned as RB-Residential Business. The manufactured home, also commonly known as a double wide, was 28 feet x 68 feet. If approved, the manufactured home would be placed on a permanent foundation at 470 Byrd Lane, Rocky Mount and would be built to federal standards known as HUD versus State Code. At this time, the Town code only allows manufactured homes on Residential Agricultural zoned properties.

On February 3, 2021, the Town of Rocky Mount Planning Commission held a site visit and a public hearing for a Special Use Permit regarding 470 Byrd Lane in which a motion was made to recommend approval of the permit. The motion was made to recommend approval of the permit and passed with a vote of 6-0. There was one public comment by email to the Community Development Assistant in favor of the application. The Special Use Permit application was advertised in the Franklin News Post as required by law, and the public hearing notice sign was posted on the site.
